Capabilities

When it comes to the stringent requirements of the high purity food and beverage industry, Geib Industries has you covered. We stock a wide array of FDA Hose products and can custom fabricate assemblies to your exact specifications. Some of the products we offer include:

- FDA & Process Tubing
- Sanitary Hose
- PTFE Hose, Fittings, Assemblies
- Corrugated Metal Hose Assemblies
- Bulk Transfer Hose & Ducting
- Instrumentation Tube, Fittings, & Valves
- Pneumatic Tubing & Fittings
- Hydraulic Hose, Fittings, & Assemblies
- Gauges, Sight Glasses, Process Valves

Geib's team of dedicated hose professionals will work closely with your plant to address technical issues, identify needs, make recommendations for improvement, and reduce overall cost of ownership.

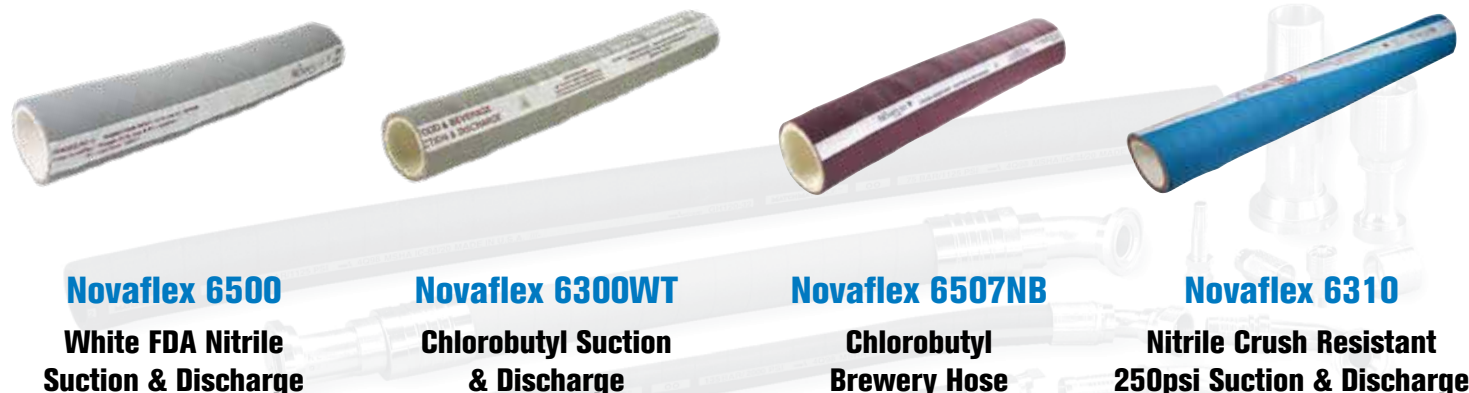

Geib Industries is capable of handling any project large or small. We have a 75,000+ sq/ft state of the art production facility located in Bensenville, IL where we custom fabricate all types of hose assemblies. We also offer over the counter service 6 days a week for the unexpected emergencies.

We can take the worry out of your JIT (Just In Time) production needs by managing on-site bin stock programs, custom labeling and packaging products to help with plant identification and inventory control, and reduce inventory spend by stocking critical products in our warehouse.

Our Mission is Simple: "To be a leader in the hose and fittings industry."

We will achieve this by providing quality products, exceptional service, and a team dedicated to serving you, our valued customer. We pledge to continue to take on the challenges of preserving this philosophy by being a unique and creative company dedicated to quality service and the betterment of our customers!
